

Regional Runway Safety Action Team Meeting

With the assistance of the airport tenants and airport users we will discuss and document potential issues and concerns regarding Runway Safety at IWA. Anyone involved with IWA surface operations is invited to attend.

Directions: From East Ray Road, turn south on Sossaman Road and follow the signs to the airport terminal building.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
